# FIBREPOINTS

Customer Rewards Program

## HOW DOES THE FIBREPOINTS REWARD PROGRAM WORK?

All Fibreclean customers are eligible to earn FibrePoints with each and every purchase made at their favorite Fibreclean Supplies location.

There are no annual membership fees and every dollar spent on cleaning supplies, equipment, truckmounts, parts and labour earns you 10 points toward valuable rewards, (eg. \$100 purchase receives 1,000 FibrePoints).

All regular and sale priced items qualify. You will receive a FibrePoints earned update with every invoice. You can redeem your points at any time for items listed in the most current edition of the FibrePoints brochure (Reward items may change over time, so Fibreclean reserves the right to substitute items of equal or greater value for those illustrated).

All you have to do to start collecting FibrePoints is sign up with a Fibreclean representative at any time. Call or visit your local Fibreclean branch today. It is that easy to collect FibrePoints and earn fantastic rewards!

### Terms and Conditions

Business charge accounts must be in current standing in order to redeem FibrePoints. FibrePoints are non-transferable.

Fibreclean Supplies Ltd. reserves the right to alter the basis upon which FibrePoints are earned at anytime and to change or discontinue the FibrePoints program without advance notice. In the event of discontinuing the FibrePoints program, Fibreclean Supplies Ltd. will attempt to provide sixty (60) days notice to you, within which you may redeem any outstanding FibrePoints.

All FibrePoints in an account will expire and be forfeited, without notice, if a) the FibrePoints member does not acquire any FibrePoints for a period of eighteen (18) consecutive months, or b) if a FibrePoint member ceases to be in business.

The onus is upon the customer to report any FibrePoints discrepancy on your invoice, failing which the FibrePoint balance is deemed to be correct (obvious mathematical errors excepted).

FibrePoints may be redeemed only by pre-authorized individuals and the account holder. Fibreclean Supplies Ltd. is not liable for any misappropriation of FibrePoints by any person representing themselves to be an employee or pre-authorized individual of the customer.
