Applied Microbial Remediation Technician September 19th-22nd, 2017

Course Outline: Applied Microbial Remediation Technician

- * Microbiology for Remediation Professionals
- * Building Science
- * Standards & Guidelines
- * Containment & Proper Utilization of Negative Pressure
- * Personal Protection Equipment
- Health & Safety
- * Sampling & Clearance Testing
- * Hands on Training

Course Fee: \$1,195.00 + HST

Prerequisite: All students must have the IICRC WRT certification before attending this course.

Instructor: Felix Neumann

Felix Neumann has been working in the indoor environmental quality inspection and testing field for over 20 years. Her educational background includes training in building science, indoor air quality testing, water restoration and cleaning, infection control and prevention, ergonomics, building biology, EMF testing, environmental microbiology, mold remediation, lead inspections and assessments and years of working in Germany. She is a Board Certified Microbial Consultant and conducted her first mold and moisture inspection in 1993 and has since performed and supervised thousands of microbial and indoor environmental projects working at ET&T.

IICRC Approved Schools

The IICRC owns no schools and produces no training materials. However, the IICRC does recognize established schools throughout the nation that meet specific standards of certification. Anyone attending these schools has the option at the end of the course to take the IICRC Certification Examination. That examination, along with proper application and fees, is forwarded to the IICRC for processing. Once a person meets the qualifications, they are sent Certification credentials.

Certification: Certification testing begins immediately following the course.

Note: Separate application and cheque or credit card, payable to the IICRC in U.S. Funds, is required for certification. This must be paid to the instructor at exam time. Certification fee is \$65.00 U.S.

Cancellation Policy: If Fibreclean needs to cancel the course, students will be given a full tuition refund. Fibreclean will not be held responsible for any cancellation fees for travel or accommodations. Student fees are non-refundable if cancelled by registrant.

Registration Form

Company : _____

Address: _____

Phone: _____ Email: _____

Name of Attendee (s) _____

REGISTER ME (US) FOR.....
Applied Microbial Remediation Technician
September 19th-22nd, 2017
\$1,195.00 + HST

If you are planning on writing the AMRT exam, proof of the WRT is required before or on registration.
