Instructor: Jeff Wright

Jeff Wright, CMI, CMRC has been involved as an Environmental Consultant in the indoor Air Quality industry since January 2010 with DF Technical & Consulting Services Ltd. Over the past five years, he has been involved in the development of specific work strategies and procedures for removing or controlling asbestos materials, both in the residential and industrial markets. He also ensures all Alberta OHS safety regulations pertaining to air quality are adhered to when managing asbestos projects. Jeff became a Certified Mould Inspector and Certified Mould Remediation Contractor in 2013, and a Certified Instructor for Alberta Occupational Health and Safety for the Asbestos Worker Course in December 2014.
