Oct 26-27/17

Course Outline: Trauma Scene Remediation

Trauma Scene Remediation is a comprehensive course covering trauma scene cleanup and decontamination. Attendees will acquire the necessary skills and knowledge required to properly evaluate, clean, and decontaminate a site following a human trauma event. Topics include: Microbiology, Regulations, Psychological Issues, Health & Safety, Biocides, Work Practices (Equipment, supplies, and processes for structure & contents decontamination), Odor Control, Work Practices (Processes for cleanup/remediation of both structure and contents), HVAC Systems, Putrefaction, Case Study.

Course Fee: \$489.00 + gst Earn 2 CEC

Instructor: Randy Pierce

As an Approved IICRC Instructor, Randy Pierce has traveled the United States teaching textile cleaning courses for the past several years. He instructs classes on carpet cleaning, upholstery cleaning, trauma scene clean up and odor control as well as business marketing classes. In addition to teaching, Randy is an IICRC Certified Master Textile Cleaner, Master Water Restorer, Master Fire Restorer, and an owner/operator of a successful textile cleaning and restoration company for 19 years. Randy has a diversified business background working in the Air Force, Pepco, and apartment communities learning not just cleaning skills but management and leadership skills. Randy has also been involved with Boy scouts as a scoutmaster and committee chair for the last 19 years.

Randy's positive attitude combined with a motivating teaching style makes him one of the most requested instructors in the country. He is well known for teaching his students how to be ultra competitive in today's fast paced business environment through the use of advanced technical skills and innovative sales and marketing techniques.

IICRC Approved Schools

The IICRC owns no schools and produces no training materials. However, the IICRC does recognize established schools throughout the nation that meet specific standards of certification. Anyone attending these schools has the option at the end of the course to take the IICRC Certification Examination. That examination, along with proper application and fees, is forwarded to the IICRC for processing. Once a person meets the qualifications, they are sent Certification credentials.

Certification: Certification testing begins immediately following the course.

Note: Separate application and cheque or credit card, payable to the IICRC in U.S. Funds, is required for certification. This must be paid to the instructor at exam time. Certification fee is \$65.00 U.S.

Cancellation Policy: If Fibreclean needs to cancel the course, students will be given a full tuition refund. Fibreclean will not be held responsible for any cancellation fees for travel or accommodations. Student fees are non-refundable if cancelled by registrant.
